free milk, households should fill out the application and return it to the school. Additional copies are available at the principal's office at each school. The information provided on the application is confidential and will be used only for the purposes of determining eligibility, and may be verified at any time during the school year by school or other program officials. Applications may be submitted at any time during the year. Application forms for the Supplemental Nutrition Assistance Program (SNAP) (formerly known as Food Stamps) or Temporary Family Assistance (TFA) households require the child's name, the child's SNAP/TFA case number and the signature of an adult household member. Households receiving assistance under the SNAP/TFA programs will be notified of their eligibility and their children will be provided free benefits unless the household notifies the school that it chooses to decline benefits. Households receiving SNAP benefits or TFA for their children should only submit an application if they are not notified of their eligibility by September 30, 2009. Households receiving SNAP benefits or TFA for

their children may receive a direct certification letter from the Department of Social Services. These letters will automatically qualify a child for free meals or milk and may be submitted instead of an application to the school. Application forms for all other households require a statement of total household income, household size and names of all household members. The social security number of an adult household member must be included or a statement that the household member does not possess one. The adult household member must also sign the application certifying that the information provided is correct. In certain cases, foster children are also eligible for these benefits. If a family has a foster child living with them who is a **legal ward** of the State of Connecticut, that child is considered a family of one, and monthly personal income from the State must be reported.

Under the provisions of the policy for determining eligibility for free and reduced price meals, the

Kitchen Manager will review applications and determine eligibility. If a parent is dissatisfied with the ruling of the determining official, he/she may wish to discuss the decision with the determining official on an informal basis.

If he/she wishes to make a formal appeal, a request either orally or in writing, may be made to

_Barbara Otero, PO Box 210, Danielson, CT 06239 (860)779-6645

for a hearing to appeal the decision.

The policy contains an outline of the hearing procedure. Each school and the central office of the school district has a copy of the policy which may be reviewed by an interested party.

If a household member becomes unemployed or if household size changes at any time, the family should contact the school to file a new application. Such changes may make the children of the household eligible for reduced price meals, free meals, or free milk, if the family income falls at or below the levels shown above.
