

November 5, 2018

As the weather begins to transition into colder days, conversations of inclement weather will become more frequent. Last year was an unusual year with many school cancelations, late starts, and early dismissals. When considering an early dismissal I often base my decision on anticipated road conditions while our elementary students are traveling home. On an early dismissal day, elementary bus runs do not end until 3:00 p.m..

In rare circumstances, and in an effort to reduce the number of school cancelations, I may elect to have a SPECIAL EARLY DISMISSAL and dismiss students about one hour earlier than a typical early dismissal schedule. Many storms last year either began or intensified around 2:30 p.m. If needed, I will implement a SPECIAL EARLY DISMISSAL in certain circumstances.

EARLY DISMISSAL PROCEDURES

When there is an early dismissal there is no afternoon preschool. Goodyear childcare is open until 5:00 p.m. The Killingly Childcare Program (formerly known as BASP & SCORE) sites are open until 6:00 p.m., unless otherwise directed by the Superintendent.

Early dismissal hours are: KHS-12:05 p.m. KIS-12:10 p.m. KCS-1:20 p.m. KMS-1:20 p.m.

Goodyear: Pre-K morning students will be dismissed at 10:45 a.m. Dismissal for full-day Pre-k students will be at 12:45 p.m. There will be no afternoon preschool session.

SPECIAL EARLY DISMISSAL PROCEDURES

When there is a SPECIAL EARLY DISMISSAL there is no afternoon preschool. Goodyear childcare is open until 5:00 p.m.

The SPECIAL EARLY DISMISSAL schedule will have an impact on lunch for students, create a condensed schedule, and may require staffs' lunch/prep times to be moved to the end of the day. School principals will set forth a schedule that is appropriate for each building.
