

Killingly Public Schools

Bus Transportation Opt-Out Form

Linda Records, Transportation Department
860-779-6790

In an effort to create efficient bus routes for all Killingly students we are seeking support from families that do not use KPS Transportation. If your child is currently not riding the bus, please consider completing this form.

Last year we identified 400 students that did not ride the bus, yet we included all students when we designed bus routes.

If your child does not ride the bus, please complete this form and return this form to your child's school.

Your support is appreciated!

Student's Full Name: _____

Home Address: _____

Parent / Guardian Full Name: _____

My child will not need school bus transportation for the 2017-18 school year. I understand that I may change my child's status at any time by calling 860-779-6790. Transportation will require a 24- hour notice to communicate the change to your child's bus driver.

Parent /Guardian Signature: _____ Date: _____
