Take the Meals.</p><p>Reasons why you should take advantage of the free school meals being offered:</p><ul style="list-style-type: none">-It extends your food budget & saves you time and prepping lunches-It's comforting & familiar to your kids to have food from school-It's confidential & not just for low-income families, all Killingly students are welcome-You're helping the local food service program stay financially afloat-You're helping the food program use up food inventory = less waste<p>USDA is covering the cost for these meals during COVID-19 You're not taking it away from someone else who needs it more</p></div>				

WHITSON'S
School Nutrition

SIMPLY ROOTED
in food & family

We are Simply Rooted™ in food and family. Our menus are healthy, nutritious and flavorful, made from wholesome ingredients. We are phasing out processed foods and instead, offering more natural, organic and non GMO options. We also offer gluten and allergen free foods and purchase locally when seasonally available. Check us out at www.whitsons.com.

Meals are approved to be served for in person and virtual learners. Inquire with your schools district office to see if your school is participating.
All lunches include a meat or meat alternate, choice of fruit, choice of vegetable, choice of 1% fat free or flavored milk & a grain.

***Consuming raw or under cooked meat, poultry, seafood, shellfish or eggs may increase your risk of food borne illness, especially if you have certain medical conditions. Menu is subject to change, notice posted when available. If you have any questions or would like additional information regarding this menu, please contact the food service director. This institution is an equal opportunity provider.

January 8, 2021

Dear KIS Families,

Happy New Year!

For the past several years, Killingly Public Schools has used STAR assessments to help teachers understand students' current levels of performance in Reading and Math. STAR assessments help us monitor the progress of all students toward grade level reading and math standards, identify students who are struggling, and guide instruction and intervention decisions. STAR assessments are designed to only take 20-30 minutes to complete and utilize adaptive software to determine precisely where students excel and where they may need additional support.

Typically, students in grades five through eight have taken STAR assessments in school during three benchmark times per year: fall, winter, and spring. However, due to our current circumstances, we have decided to streamline assessments and only administer the STAR assessment two times this year: winter and spring. Your child's teachers will schedule a time for your child to take the STAR Reading and Math assessments during our winter screening window: January 19th - February 5th. Your child's teacher will assist with accessing the online assessment software and will monitor your child while they take the assessment, whether from home or at school.

Thank you for your support!

In partnership,

Heather Taylor, Principal

HEALTH OFFICE

December 7, 2020

Dear Parent/Guardian,

PARENTS OF GRADE 6 STUDENTS
RE: GRADE 6 PHYSICALS ARE DUE

District Policy and the State of Connecticut require a Physical Exam and vaccinations for all students prior to or during the grade 6 school year, for grade 7 entry. Acceptable physical dates are between June 1st, 2020 and June 15th, 2021.

- Please send in the physical if it has been done or make an appointment as soon as possible. Forms are available on the KPS website under Health Department.
- **Meningococcal and Tdap vaccines** are required.
- **Doctors do not automatically fax physicals.** You are responsible for arranging documents be sent to the school nurse and for checking that any faxed documents have been received by the school nurse.
- Keep a copy of the physical and immunizations for your records

*Note: Students not in compliance will be excluded from entry into grade 7.

Thank you,
Susan Spagnuolo, RN
