Message from the Nurses office:

Please remember to keep your child home if they are sick. If anyone in your family is ill and has gone for COVID-19 testing, keep your child home until results are received. Notify the school nurse if anyone in your family test positive for COVID-19. If you have any questions or are unsure whether to send your child to school, call the school nurse.

School accepted COVID-19 tests are PCR tests and home tests.

Thank you for helping us keep our school safe and healthy.
