Killingly High School

Mission Statement

The Killingly High School community promotes **Responsibility, Excellence and Dedication** to life-long learning in a safe environment. Our student-focused approach provides relevant and challenging learning opportunities that address individual needs and foster talents. Students will demonstrate intellectual growth and academic excellence. We guide our students to become critical thinkers, who are contributing, respectful citizens within a diverse world.

Student Activities

The mission of Student Activities at Killingly High School is to promote involvement in school clubs and organizations and to provide leadership development opportunities. We encourage growth and development of Killingly High School students by providing opportunities for involvement, leadership, fun and success through activities, clubs and organizations.

Clubs and Organizations

Listed below are the clubs and organizations students can join or apply to join at KHS. The advisor's name and contact information is listed below for each club. Please feel free to contact the advisor for additional information about membership. Students in clubs and organizations will meet during the meeting times noted below.
