PREAMBLE

This Agreement is between the Board of Education, Town of Killingly and/or its successor, hereinafter referred to as the "Board", and Local 1303-261, Council #4, American Federation of State, County and Municipal Employees, AFL-CIO, and/or its successor, hereinafter referred to as the "Union".

ARTICLE 1 RECOGNITION

Section 1.1

The Board of Education hereby recognizes the Union as the sole and exclusive representative for the purpose of collective bargaining in respect to wages, hours and other conditions of employment for all school bus drivers, mechanics and van drivers on the Board of Education payroll, but excluding seasonal employees and supervisory employees employed by the Board. This recognition is pursuant to State Board of Labor Relations Decisions ME 12,509 and ME 12,558.

Section 1.2

The Union shall have reasonable access to work locations for purposes of processing grievances or addressing other matters within the scope of union business, provided that such access shall not interfere with the work of any employee, or the safety or security of staff or students. As such, union business shall occur outside of working hours and, if access to a building is required, the union representative shall make an appointment in accordance with standard procedures.

ARTICLE 2 MANAGEMENT RIGHTS

Section 2.1

It is recognized that the Killingly Board of Education has and will continue to retain, whether exercised or not, the sole and unquestioned right, responsibility and prerogative to direct the operation of the school system in all its aspects, including but not limited to the following:

To maintain educational activities and programs as in its judgment will best serve the interests of the students;

To determine the type of work to be performed by the personnel;

To assign all work to employees or other persons;

To decide the methods, procedures and means of conducting the work;

To select, hire, and demote employees, including the right to prescribe and enforce reasonable rules and regulations for the maintenance of discipline and for the performance of work;

To discharge or otherwise discipline any employee;

To promote, transfer, and layoff employees;

To decide the need for facilities;

To designate the schools or programs which shall be attended by the various students;

To prescribe rules for the management, studies, classification, and discipline for school programs;

In general, to control, supervise and manage the operations of the school system and its staff under governing laws;

To establish or continue policies, practices and procedures for the conduct of Board business and the management of its operations and from time to time, to change or abolish such policies, practices or procedures;

To establish contracts or subcontracts for any of the Board's operations, provided that this right shall not be used for the purpose or intention of undermining the Union or of discriminating against its members.

These rights, responsibilities and prerogatives are not subject to delegation in whole or in part, except that the same shall not be exercised in a manner inconsistent with or in violation of the specific terms and provisions of this Agreement.

ARTICLE 3 DUES CHECKOFF

Section 3.1

The Board agrees to deduct from the pay of all its employees who in writing authorize such deductions from their wages, such membership dues as may be fixed by the Union. Such deduction shall continue for the duration of the Agreement, except that any employee may withdraw such authorization in writing by certified mail to Council #4 or the president of the local.

Section 3.2

The deductions for any month shall be made twice each month for such month and shall be remitted to the Union together with a list of names of employees from whose wages such deductions have been made, no later than the 10th day of the following month.

Section 3.3

The employee's obligation to make such deductions shall terminate automatically upon termination of the employee who signed the authorization or upon his transfer to a job not

covered by this Agreement, except that deductions shall be resumed if any employee, terminated by layoff, is rehired during the life of the contract then in existence.

Section 3.4

The Union agrees that it will indemnify and save the employer harmless from any and all liability, claim responsibility, damage or suit, including salaries, court costs and attorneys' fees which may arise out of any action taken by the employer in accordance with the terms of this Article. The Board shall notify the Union of any claims made against it concerning this Article.

ARTICLE 4
SENIORITY

Section 4.1

Seniority is defined as an employee's period of continuous service with the Board in a position within this bargaining unit (Local 1303-261) since last date of hire.

Section 4.2

Any employee's seniority will be broken and cease when he/she:

- a) quits
- b) retires
- c) is discharged
- d) dies
- e) is laid off and is not recalled within one year
- f) fails to return from an authorized leave of absence.

Section 4.3

The Board shall prepare a list of employees within the bargaining unit showing their date of hire and deliver the same to the Union representative by December 1 of each year. Upon completion of the probationary period, new employees shall be added to this list.

Section 4.4(a)

All bargaining unit vacancies created through resignations, retirements, permanent transfers which the Board of Education intends to fill and new positions shall be posted for a period of five (5) working days prior to any action being taken by the Superintendent to fill such vacancy or new position. Written notification of the posting shall be sent to the Union President. Employees wishing to fill such vacancy or new position shall submit their request, in writing, to the Superintendent or designee. The Board will make a good faith effort to post such vacancies within ten (10) working days of the occurrence of the vacancy. If the Board has not posted the vacancy within twenty (20) working days of the occurrence of the vacancy the Board will provide a written notice to the Union giving reasons why the posting has not taken place. For vacancies that occur during the summer recess such vacancy will be posted during the first full week of the school year, unless such position is eliminated. If a position is eliminated, the Board will provide written notification to the Union President. Whenever possible, every effort shall be made to post summer jobs prior to the end of the school year.

Section 4.4(b)

When two (2) or more applicants are considered by the Superintendent or his/her designee to be the best qualified applicants for the vacancy and equal in the qualifications considered for appointment to the job vacancy, including skill and ability to perform the work, the employee with the greatest bargaining unit seniority shall be awarded the position. The board retains the right to fill positions from outside the unit.

Section 4.5

No permanent employee shall be fired, suspended or otherwise disciplined except for just cause.

Section 4.6

For purposes of this Article, each employee shall be assigned to a job and hour classification. The job classifications are:

1. Mechanic
2. Bus Driver
3. Van Driver

The hour classifications are four (4), six (6) and eight (8) hours per day. The mechanic who is also assigned to bus driver responsibilities will be considered to be within the mechanic classification.

In the event of the elimination of a bargaining unit position or, in the event the hours of work for a position are reduced by more than one hour per day for thirty (30) calendar days or more, the employee holding the position scheduled for elimination or reduction may bump the least senior employee within his/her job and hour classification. In the event such employee is the least senior employee within his/her job and hour classification, he/she may bump the least senior employee within his/her job classification but in a lower hour classification. In addition, the employee bumped as a result of the above process may displace the least senior employee within his/her job classification but in a lower hour classification. At all times herein, the bumping employee must be qualified to perform the duties of the employee being bumped.

Section 4.7

Employees who are laid off shall have recall rights to a position in the job and hour classification from which they were laid off for a period of one (1) year. In the event the laid off employee is offered and accepts a recall to a position of lesser hours, the employee shall have no further recall rights. In the event an employee refuses an offer or rehire to a position of lesser hours on more than one occasion or refuses an offer of rehire to a position of equivalent hours, such employee shall lose all recall rights.

The employee will accept or reject in writing an offer of rehire within ten (10) days of the mailing of the notification of position availability by registered, return receipt mail to the last address of the employee as on file with administration. Failure to notify the Superintendent of Schools of acceptance or rejection as required herein shall be deemed a refusal of such offer.

A laid off bus driver, upon request, will be appointed as a spare driver and will be given the first opportunity to work a spare job. In the event there is more than one bus driver on layoff status, the opportunity to work the spare job will be on the basis of seniority.

Section 4.8

Summer jobs will be posted and bid on each year.

ARTICLE 5
PROBATIONARY EMPLOYEES

Section 5.1

New employees shall serve a probationary period of sixty (60) working days and shall have no seniority rights, personal leave days, holiday pay or sick leave pay during this period, but shall be subject to all other provisions of this Agreement. During the probationary period, the employee may be disciplined or discharged at the Board's discretion and neither the employee nor the Union shall have recourse to the grievance procedure. Employees who have completed the probationary period shall be credited with length of service retroactive to their date of employment in the bargaining unit position. Upon written notice prior to the expiration of the initial sixty (60) working day probationary period, by mutual written agreement with the Union, an employee's probationary period may be extended for an additional sixty (60) working days and the rights and privileges set forth herein shall continue during the extended probationary period.

ARTICLE 6
HOURS OF WORK

Section 6.1(a)

The regular paid hours of work for mechanics shall be eight (8) hours per day excluding a one-half (1/2) hour meal period. The normal work week shall be Monday through Friday, inclusive, except as modified by the Board of Education or its designee.

Section 6.1(b)

Generally, the regular paid hours of work for bus drivers shall be either four (4), six (6), or eight (8) hours per day. The normal work week shall be Monday through Friday, not necessarily inclusive, except as modified by the Board of Education or its designee.

Van drivers shall work hours as assigned by administration.

The Supervisor of Transportation and a committee of the Union will meet during the second week of September of each school year for the purpose of reviewing the four (4) and six (6) hour bus driver positions. The purpose of the review will be to consider whether the hours of any of these positions need to be increased in order for the driver in that position to perform his/her required job responsibilities within the hours of that position. The supervisor and committee will meet again in the second week of January for purposes of reviewing the hours of the positions to decide whether such positions need a further change in hours.

Section 6.2

Twelve month employees scheduled to work forty (40) hours per week who work hours in excess of eight (8) hours per day or forty (40) hours per week shall be paid at the rate of one and one-half (1 ½) for the employee's regular straight time hourly rate for such hours.

Section 6.3

Work performed by employees referenced in Section 6.2 on a Saturday or a holiday shall be compensated at the rate of time and one-half (1 ½) times the employee's regular straight time hourly rate. Work performed on a Sunday by such employees shall be compensated at the rate of two (2) times the employee's regular straight time hourly rate.

Section 6.4

For other employees, work performed in excess of forty (40) hours per week shall be paid at the rate of one and one-half (1 ½) of the employee's regular straight time hourly rate for such hours.

Section 6.5

There shall be no duplication or pyramiding of overtime.

Section 6.6

Any employee called back to work after his/her regularly scheduled work day shall be paid a minimum of two (2) hours at time and one-half (1 ½) of his/her regular straight time hourly rate so long as such hours are not contiguous to the employee's regular work hours.

Section 6.7

In the event that school is canceled and the school district fails to make a reasonable effort to notify bus drivers of such cancellation and a bus driver reports to work, such employee shall be paid for a minimum of two (2) hours at the employee's regular straight time hourly rate.

Section 6.8

For purposes of this section of the contract, a special trip shall be defined as a bus trip which is other than a regularly scheduled trip which transports students between their place of residence (including babysitter, etc.) and their school. Regularly scheduled trips to and from vocational technical schools, parochial schools, late buses and all special education transportation will not be considered special trips. Special trips will be offered on a rotational basis by seniority to bus drivers and van drivers who are available as determined by administration and qualified for such trips. To be available for such trips, the hours of the special trip cannot conflict with the employee's regular hours of work.

In determining whether a driver is qualified to take a special trip, the following factors will be determinative:

- a. Demonstrated ability to operate the type of vehicle to be used for the trip.
- b. If the trip requires the vehicle to be operated outside the Killingly area, demonstrated ability to safely operate the vehicle outside the Killingly area and within an area similar to that encompassed by the special trip. By way of

illustration, the driver on such a trip would need map reading skills or ability to operate the vehicle in a congested urban area.

- c. The driver's ability to interact appropriately with the students.

Nothing herein prohibits drivers from volunteering their time to drive a bus on a special trip for an outside non-profit organization, e.g. Little League, Boy Scouts. Such volunteer trip will not be considered as having been assigned to the driver for purposes of this section.

If an employee who is available and qualified for a special trip refuses an offer of a special trip, the employee will be credited as having taken such trip for purposes of the rotation system.

Whenever possible, special trips will be posted. Employees may notify the Transportation Supervisor of whether they are available for the posted special trips in order to assist him/her in determining who is available and qualified and in applying the rotational system. The Transportation Supervisor shall consider the input of the union in the assignment of the special trips. If last minute special trips arise, the Transportation Supervisor or his/her designee shall assign the trip.

Nothing herein prohibits the Transportation Supervisor or his/her designee from assigning a regular driver to a special trip when no driver is available pursuant to the provisions of this section of the Agreement.

Drivers shall be paid at normal hourly rate.

In the event the hours of the special trip cause the employee to work hours in excess of forty (40) hours of work for that week, the employee shall be paid for such overtime in accordance with applicable state and federal law.

The hourly rate for a special trip assigned to a spare driver will be the spare driver's regular hourly rate of pay which rate of pay will not be greater than the starting wage for a bus driver.

Sign up for the late bus shall be posted no later than the third (3rd) week in September and be assigned by seniority.

Section 6.9

Cover drivers shall be trained to serve as the substitute driver for late bus runs on days when the regular driver is absent. If a bus driver with a late bus run is absent on a given day, coverage shall be provided by the assigned and trained cover driver. If the cover driver is not available, the Transportation Supervisor or his/her designee will assign a driver to cover.

Section 6.10

Probationary employees will not be assigned to a field trip unless there are no non-probationary drivers available for the trip.

ARTICLE 7

All employees shall be entitled to 1.25 sick days per each month of employment. Unused sick days may be accumulated to a maximum of one hundred sixty (160) days. Upon return to work the Board may require acceptable medical certification.

Section 9.1(b)

If an employee is absent from work due to illness or injury for three (3) consecutive working days or more, or the superintendent suspects an employee is abusing the sick leave benefit, the superintendent shall have the right to have the employee evaluated by a physician of the Board's choosing. The Board shall pay that portion of the cost of such evaluation which is not covered by the employee's medical insurance.

Section 9.1(c)

Section 9.2 - Personal Leave

The Superintendent may, on one week advance written notice (excepting times when emergencies preclude this written notice), grant a leave with pay for up to two (2) days per year for personal reasons; however, such days may not fall immediately prior to or immediately after

3. Attendance at graduation exercises for self, spouse, son or daughter.

The Superintendent, in his/her sole discretion, may grant additional personal days to persons whom the Superintendent determines to have compelling reasons for why such leave should be granted.

Section 9.3

In the event of a death in the immediate family, the employee will be paid for time lost from scheduled work not to exceed three (3) days in order to attend the funeral. Immediate family includes: husband, wife, mother, father, son, daughter, brother or sister, grandparent, grandchildren and legal guardian. One (1) day's time off with pay shall be granted to attend the funeral of the above-defined family in-law. The Superintendent shall have the authority to waive the one day in favor of the three days in any situations that, in his judgment, are appropriate.

Section 9.4

The purpose of this section is to provide employees who are working with time off to make funeral arrangements to attend the funeral. Thus, this benefit is not payable in the event that death occurs while an employee is not scheduled to work.

Section 9.5

Such funeral leave is not to be subtracted from sick leave.

Section 9.6

Absence for jury duty during the school year shall be granted when an employee is required to serve. Such employee will be compensated the difference between the amount he receives for jury duty and the amount he would normally earn for a regular work day, excluding overtime. Employees must notify the Transportation Supervisor immediately on receipt of jury notices. Whenever an employee is released from jury duty, the employee will notify the Transportation supervisor as soon as possible and will report to duty if so instructed.

Section 9.7

The Board's contribution toward the HSA deductible will be deposited into the HSA accounts throughout the course of the year, on the Board's payroll dates. The parties acknowledge that the Board's contribution toward the funding of the HSA plan is not an element of the underlying insurance plan, but rather relates to the manner in which the deductible shall be funded for active employees. The Board shall have no obligation to fund any portion of the HSA deductible for retirees or other individuals upon their separation from employment. For any plan year in which an employee is enrolled in the high deductible/HSA plan for only a portion of the plan year, the Board's contribution toward the funding of the deductible shall be pro-rated.

The Board of Education will pay the remainder of the premium for the insurances set out in this Article of the Agreement for individual, two person and family coverage. The employee will pay his/her share of the premium by automatic payroll deductions. In this regard, to be eligible to receive such insurance benefits, each employee must submit a wage deduction authorization

permitting the Board to deduct such premium costs. Each employee will be informed in writing prior to the first deduction of the premium cost. An employee may forego or withdraw from such coverage rather than pay such additional costs. Reinstatement of coverage shall be subject to insurance carrier rules and regulations.

Section 11.3

The Board will adopt an Internal Revenue Code §125 Pre-Tax Premium Conversion Account for employee premium contributions. The Internal Revenue Code and its implementing regulations shall govern the administration of this plan.

Section 11.4

In each case where the name of a particular company or a specific plan has been used in this Article, the intent is to indicate a general type of insurance and not to establish a relationship with one particular company or any specific plan. The Board shall have the right to self-insure for any of the insurance benefits described in this Article and/or to change administrators/carriers/plans for any of the insurance benefits, provided that the overall level of benefits, when considered as a whole, remains substantially comparable to the overall level of benefits in effect immediately preceding any such change.

The provision(s) of the agreement which are involved shall be identified in the demand or arbitration.

The arbitrator shall be empowered only to hear and determine the issues by interpreting the provisions of this Agreement and he/she shall not have the power to add to, subtract from, alter, modify or amend any provision of this Agreement. The decision of the arbitrator shall be final and binding on the parties.

Section 12.4

The grievant and a Union representative shall not suffer any loss of pay for time spent meeting with school officials on a grievance matter.

ARTICLE 13

Section 13.1

No agreement, alteration, understanding, variation or modification of any of the terms, conditions or covenants contained herein shall be made by any employee or group of employees with the Board and in no case shall it be binding upon the parties hereto unless such agreement is made and executed in writing between the parties hereto and the same has been ratified by the Union.
